

Awards and Recognition

The work we do for our clients routinely earns both awards and significant rankings throughout the world. We are proud of the reputation we have earned for client service, legal excellence and the ability to master complex challenges. Cahill is consistently recognized by clients, peers and the most respected legal journals and industry-specific publications for premier client service and exceptional lawyering. This is in part reflected by the fact that three-quarters of our partners have also been named leaders in their areas of practice.
