
Sam Enzer to Speak on AI, Blockchain and the Future of Money Movement at the CT Crypto Forum

Tuesday, November 7, 2023 5:40 PM to Thursday, January 1, 1970 12:00 AM

On Friday, November 10, partner and chair of Cahill's Cryptocurrency & FinTech practice Sam Enzer will be speaking on the "AI, Blockchain and the Future of Money Movement" panel at the CT Crypto Forum. Joining Sam will be Neel Chopra, Head of Regulatory, Investigations and Litigation at Binance; Emily Goodman, Partner at FS Vector, and Chris Aguas, CEO and Founder of CT-based b2b payment platform CoreChain Technologies. Panelists' backgrounds span the CFTC, Southern District of New York and American Express Payments, bringing deep background to their viewpoints.

The CT Crypto Forum connects sophisticated investors with leaders across blockchain, crypto, defi, NFTs, web3 and related fintech.
