
Sam Enzer Discusses What's Next for SBF and the Crypto Industry on Fox News Radio

Wednesday, January 10, 2024 5:00 AM to Thursday, January 1, 1970 12:00 AM

On January 10, partner and chair of Cahill's Cryptocurrency & FinTech practice Sam Enzer appeared on an episode of Fox News Radio where he discussed why the DOJ did not pursue their second trial of Bankman-Fried, the most dramatic moments from the trial, and how transformational the SEC approval of a Bitcoin ETF would be for the crypto industry.
